# American Buildings Company Names Nichols As General Manager

Ken Nichols

Charlotte, NC - [American Buildings Company](#) (ABC) announces that Ken Nichols has been appointed general manager of ABC – South Division. He brings more than 20 years of experience to this position, starting out as a builder in 1997, before moving to sales and customer service manager positions within the metal buildings industry. He most recently served as the division sales manager for ABC – South.

“I am very excited for the opportunity to continue the strong tradition that has been ABC and continue our growth toward being one of the best metal building manufacturers in the business,” said Nichols. “We will do this through our builder partnerships and relationships we have built and continue to build.”

“We are excited about having Ken Nichols lead our team here at ABC South,” said Jeff Carmean, President of Nucor Buildings Group. “Ken brings with him a tremendous amount of experience and knowledge about the metal building business, American Buildings Company and NUCOR Corporation.”

### About American Buildings Company

For more than 65 years American Buildings Company has been pioneering the design, manufacture and delivery of metal buildings and roofing systems that set the industry standard. From industrial and commercial structures to tailored projects for the automotive, retail and transportation industries, the ABC family of more than 850 authorized Builders has the expertise to exceed expectations for custom engineered metal building projects in a variety of industry segments. ABC delivers a proven combination of products, technology, and customer service to accurately execute projects on time and on budget through four strategically-located engineering and manufacturing facilities. Locations include Eufaula, Ala., Carson City, Nev., El Paso, Ill., and LaCrosse, Va.
